

Morvern Resilience Meeting agenda 26th May 7pm

Present: Annie Tordoff (chair), Dr Susan Taylor, Kenny McLaughlan, Jane Stuart-Smith, Alasdair Firth, Jennie Robertson, Nick Tordoff, Angus Robertson

1. Community Support helpline & updates
  - a. Access to online library discussed for those not online. Government scheme for access to kit discussed and criteria for local people to use. Approximately 5 people might benefit from having internet enabled tablets. Group discussed how these might be best allocated. One has kindly been donated and KM can download library books from his own account for use. Dr Taylor is able to identify those who would benefit most, particularly those most isolated. Dr Taylor agreed to work on some criteria and all agreed that needs will differ from one individual to another, will be time limited, and any purchases would require to reflect this. Kenny agreed to work with Nick T on delivering. AR to ask Lilia to speak to HIE re use of resilience funds and liaise with Nick and Kenny.
  - b. Jennie Robertson joined to say that the Book club has collated a list of approx 60 books for lending which will be advertised on FB and morvern.org, and the list can be sent out with prescriptions, be available through the shop and put on notice boards. Disinfection and passing around of books discussed and criteria for use of them will be included in the list. People will be required to phone Jennie (times to be confirmed) if they wish one and volunteers can deliver on a Monday (tbc). Thank you to Morvern Book Club.
2. Recent purchases - sanitiser, small bottles have been bought, awaiting delivery. First bulk lot of sanitiser has arrived - volunteers have been identified to put sanitiser in key points as agreed at the last meeting.
3. Shop - no updates
4. Morvern Medical Practice - no updates. Test and trace scheme discussed - being done by both NHS and army mobile scheme. This is still in development nationally therefore MCC/resilience group is unable currently to advise the community on local arrangements.
5. Skip - has been collected and site cleared
6. Broadband - minutes finalised with BT and openreach and available for MCC meeting on Monday and MCDC
7. Group discussed current helpline and support arrangements and agreed that all needed to remain in place until early autumn when we can review
8. AOB - nil
