

Acharacle Community Company is seeking to recruit a **Project Worker** to develop the use of the Community Centre in the village.

The officer will secure grant funding for the centre, for employment opportunities and for renovations to the centre. They will work on their own and with the Centre Coordinator to find ways to increase the use of the centre, to improve its income and so to help with the centre's future viability. The work will include liaison with other stakeholders and support organisations. They will report to the Board of Directors, funders and project stakeholders.

The post will be on a short-term contract basis. A budget in the region of £12,000 is allocated to this project (subject to extension if further funding becomes available). Negotiations about specific working hours will be discussed with the successful applicant.

The closing date for applications is 12 noon on Monday 8th March 2021, and interviews will be held from Monday 15th March 2021.
