

# Barr River Hydro

## Caretaker and First Responder Services Request for expressions of interest

MorVolts wish to procure a Caretaker and First Responder Service to assist MorVolts to care for, and get the best out of, the Barr River Hydro scheme in both the short and long term.

The service provider will be responsible for carrying out weekly maintenance and for providing a 24hour year-round initial alarm response and non-technical fault resolution service.

The service provider will be responsible to MorVolts Management and will be supported by Glen Hydro Consulting Limited under our operational Support Contract with them.

Please go to <http://www.morvern.org/development/current-projects/renewables/> for details of the services required and for a form to submit an expression of interest. If you would like to have an informal discussion before submitting an expression of interest, contact details can be found on the same documents
