

# Morvern Community Council

**Numbers of elected councillors in MCC have become dangerously low, so we have agreed to join the current round of Interim Community Council Elections organised by Highland Council. If any qualifying member of the community would like to stand for election, then please follow the instructions below and make an application before the deadline on 30<sup>th</sup> August. We are particularly keen to get representation from Drimnin and other outlying areas if possible. Any questions then let me know - Angus Robertson (chair)**
