

Morvern Community Council invites expression of interest from individuals or companies to undertake seasonal landscape maintenance of Lochaline village. Primary requirements are cutting road verges and ditches, maintaining sightlines, clearing and maintaining paths, with some minor tree pruning and scrub removal, and cutting grassy patches, as highlighted on this map. Consideration must be taken to maintain and improve the aesthetic of the village while following best practise for the maintenance of biodiversity.

- Details:
- 3.5km road verges, 1m on both sides where applicable (5 x cuts)
  - 1.3km of paths (3 x treatment)
  - 600m<sup>2</sup> of grassy patches (2 x cuts)
  - Cutting ditches/2m from roadsides on same roads as verges (1 x cut)
  - Extending/maintaining sightlines at junction A884-B849 (1 x cut)
  - Removal of pruned branches/scrub (as and when)
