

Morvern Community Development Company (MCDC)
Phase 2 Housing - Expression of Interest

MCDC are building new two and three-bedroom family homes that will be ready to move into at the end of 2026. They will all be available for affordable rent in line with rates set by Highland Council (which are currently £113.90 per week for a two-bed and £125.14 per week for a three-bed) and will also be affordable to run.

We are now looking for expressions of interest from both individuals and businesses to be on our candidate information list for when we are ready to advertise for tenants. Please fill this in if you would like to be on the list to be contacted with our application pack (likely in autumn 2026). If you are an employer, please fill in one form per house required.

Please note that at this stage this is just an expression of interest and there is no commitment from either side regarding tenure. We may contact you again if we need any further information, but we will not use your data for anything else.

Please return these to the hub (café or office) or by emailing housing@morvern.org as soon as possible and no later than 16th June 2025. Thank you.
